

# Thankfulness

CHERYL KAYE WISNER'S MONTHLY UPDATE

NOVEMBER 2014

Dear Family and Friends,

To prepare for this Thanksgiving season, I've spent a lot of time remembering what causes me to be thankful. I'd like to share some of the things that have come to mind:

1. I am thankful for Jesus and His work on the cross. It is the reason I have purpose and hope.
2. I am thankful for how God provides for all of my needs – spiritually, physically, mentally, and emotionally.
3. I am thankful for God's strength, grace, and peace as He causes me to grow.
4. I am thankful for my family. They love me unconditionally and are a source of continual support to me.
5. I am thankful for the church, both locally and collectively. Christ's people are blessed!
6. I am thankful for my friends. They build me up and are a lot of fun!
7. I am thankful for the joy that my nieces, nephews, and other little people bring into my life.
8. I am thankful for my co-workers. They encourage me, inspire me, and hold me accountable.
9. I am thankful for the seminar participants I have been able to help train at Justice For All's *Abortion: From Debate to Dialogue* seminars.
10. I am thankful for the people I've met and the conversations I've been able to have at outreach events.
11. I am thankful for the encouraging words I have received from people like you.
12. I am thankful for my home, my car, and good food. I am very blessed to have these things!
13. I am thankful for good music, especially from my favorite bands: Tenth Avenue North and The Oh Hellos.
14. I am thankful for Ultimate Frisbee. It's a blast and helps me to relax and regroup.
15. I am thankful for books that help me understand new ideas. Learning is wonderful!

*I'm thankful to have co-workers that double as friends!*

## Support Raising Update:

*I am especially thankful that God has used people like you to financially support my work with Justice For All. I am still in need of funds for my internship. Would you please consider a special end-of-year gift? Thank you!*

My list of thankfulness could go on much longer, but these are just a few things that stand out to me. I hope you're able to take time to reflect on what you are thankful for this holiday season!

With a thankful heart,

*Cheryl Kaye*
