

# Giving Thanks for the Whirlwind

*An Update on the Spring Semester and On My Summer Plans*

CHERYL KAYE WISNER'S MONTHLY UPDATE

APRIL 2016

Dear Family and Friends,

It's been a whirlwind of a Spring semester! In the last two months, I have been a part of 7 seminar or workshop events, participated in 11 days of outreach, talked with about 125 students on college campuses, and connected several students with resources for healing from past abortions or information for help with unplanned pregnancies. Each training participant and each student I meet while on a college campus has a story to be told and need to be met. My heart is overwhelmed with thanksgiving that I get to be a part of their stories which make up a small (yet significant) part of the bigger story that God is writing.

**We held a workshop for a youth group in Lawrence, Kansas early in April. Afterwards, I led a Q & A time with about 15 of the girls.**

We have one more training trip before the spring 2016 semester comes to a close. We will be traveling to University of California, Los Angeles to conduct a seminar and two days of outreach. This is our advertised "Mission Trip" of the year, so we are planning on taking some additional people on the trip with us. I'm very excited!

After we return home from UCLA, I will be wrapping up my work in the JFA office and then taking some time away from JFA over the summer months. The leadership at JFA has graciously allowed me to take this time to rest and discern my future plans regarding JFA and my personal goals. I am very thankful for this as well!

**I talked with "Mike" at Oklahoma State University. We held very different positions on most things, but by the end of the conversation I had made a friend.**

My summer will include spending concentrated time with my family, lots of coffee and reading, some ultimate frisbee, many weddings, and also serving in a Summer Staff position at Summit Ministries in Colorado from mid-July until mid-September. Many of you know that I have been to Summit as a student the last two summers. My time there has helped form my mind and my heart significantly and I am excited to go and bless other students like I was blessed. I think being in Colorado and around such great community will be good for my spirit and I think my time there will be a significant part of my discerning process.

I have committed to come back to JFA for the Fall 2016 semester. I am unsure of my plans for 2017, and I greatly desire your prayers as I seek the Lord in this. It is possible that I will continue with JFA for another year or it is possible that God will direct my steps in a different way. It is my prayer that over this summer my future plans will become clear.

**Our team of staff and volunteers at Colorado State University, Fort Collins was awesome. I am so blessed to have these special people in my life!**

Thank you all so very much for the support you have shown me during the last 4 years! I will not be receiving a paycheck this summer from JFA because of my season of rest, but it will bless me immensely if you continue your monthly donations. It would be a gift to return in the fall with a strong support account waiting for me. If you have any further questions about this, please don't hesitate to ask.

Again, I want to ask that you pray for me as I seek the Lord about my future. No matter where He leads, I know that He is good and that He is at work.

Many Blessings, *Cheryl Kaye*
