

Go Out and Teach All Nations

Helping JFA to Train Thousands Through Speaking

GRACE FONTENOT'S MONTHLY UPDATE

AUGUST 2017

Dear Friends and Family,

This past spring, I spoke at Justice For All seminars and workshops near universities throughout the country. I had the opportunity to speak in the following cities: Las Vegas (NV); Thibodaux (LA); Wichita and Lawrence (KS); Stillwater (OK); Arvada, Windsor, and Fort Collins (CO); and Los Angeles (CA)!

This summer I have spent my time honing my public speaking skills because an even larger portion of my time with JFA this coming year will be spent speaking (in addition to my continued tasks of mentoring volunteers and creating dialogue at outreach events). Listed below are just a few of the events at which I will be speaking with the JFA team this coming fall!

Kansas

8/15: Wichita - Presentation for *Kansans for Life*

8/19: Wichita - Interactive workshop at the Cathedral of the Immaculate Conception

9/24: Lawrence - *Abortion: From Debate to Dialogue* interactive seminar at St. Lawrence Catholic Campus Center

Indiana

9/4: West Lafayette - *Abortion: From Debate to Dialogue* interactive seminar at Purdue University

9/5,6: West Lafayette - Large format exhibit outreach at Purdue University

Minnesota

9/30: Chanhassen - Interactive workshop at St. Hubert Catholic Church

Texas

10/14: Austin - *Abortion: From Debate to Dialogue* interactive seminar at For the City Center

10/16,17: Austin - Large format exhibit outreach at the University of Texas at Austin

Above I'm pictured teaching students at a high school seminar how to focus on the one central question: "What is the unborn?" Please pray that I will continue to allow the Holy Spirit to work through me this fall as I embark on my second year on the JFA team!

There are more events to be scheduled for the fall. Our staff and the pro-life clubs with which we've partnered are working on completing the campus space reservations. Please pray for the reservations to be successfully confirmed. Please also pray that I would find time and energy in the midst of my busy schedule to learn to present more of our seminar content so that I may more fully serve the JFA team, and that I would represent the Lord well as I speak at the various JFA events this fall.

For the sake of His sorrowful passion,
