

Provide Lunch for Justice for All staff at ASU or UofA!
 February 13-15 and Feb 20-21

We are seeking a church group, family or pro-life group who will generously provide sack lunches each day for staff/volunteers during our outreach at Arizona State University and the University of Arizona. We ask the lunch provider to deliver them to us around **10:30 am** to the campus display site (Please talk to Rebecca if that is a problem.)

[Email Rebecca@jfaweb.org](mailto:Rebecca@jfaweb.org) for help or call Rebecca Haschke at 800-281-6426.

LUNCH IDEAS:

- Sandwiches – chicken salad, tuna salad, ham, turkey, roast beef (please leave meat sandwiches dry-we have mayo, mustard packets); Most of us like to eat healthy, so wheat bread is a preference.
- Cold or hot fried/baked chicken
- Sides - fruit, yogurt, chips, vegetables, cookies;
- Drinks - We have water at the site. You don't need to include a drink unless you really want to.

*FYI-We only take about 15-20 minutes away from the exhibit to eat and then return right to work so we don't leave the exhibit site all day once we arrive on campus (7 am-5:30 pm). Please provide prepared lunches. We can keep the lunches cool in our coolers but don't have a good area to prepare them ourselves.
