Host a Meal for Justice for All staff in *Colorado!*

September 28-October 5, 2011

Important Information:

Time - Most days our staff will be able to arrive at the dinner location between 5:30pm and 6:00pm. Maureen will give you a better time estimate when you sign up for a specific date.

Allergies - None of our staff have major food allergies. Two staff have some special diet needs, please talk to Maureen for more information.

How Many? - The number of people I've listed below for each night are estimates. The size of our team sometimes fluctuates. I'll give you an exact count at least one week prior to the date you sign up for.

Dinner Ideas - We're not picky so prepare anything you'd like! Often times families will get together to host a potluck so the burden isn't too hard for any one person. We are totally okay with this. Plus, the more families we get to meet the better!
