## **Provide Lunch for Justice for All staff at CU Boulder!**

**October 3-5**

We are seeking a church group, family or pro-life group who will generously provide sack lunches each day for staff/volunteers during our outreach at University of Colorado, Boulder (CU Boulder). We ask the lunch provider to deliver them to us around 10:30 am to the campus display site (Please talk to Maureen if that is a problem.)

Email [Maureen@jfaweb.org](mailto:Maureen@jfaweb.org) to help or call Maureen McKinley at 480-788-9579.

### **LUNCH IDEAS:**

- Sandwiches - chicken salad, tuna salad, ham, turkey, roast beef (please leave meat sandwiches dry -we have mayo, mustard packets); Most of us like to eat healthy, so wheat bread is a preference.
- Cold or hot fried/baked chicken
- Sides - fruit, yogurt, chips, vegetables, cookies;
- Drinks - We have water at the site. You don't need to include a drink unless you really want to.

\*FYI-We only take about 15-20 minutes away from the exhibit to eat and then return right to work so we don't leave the exhibit site all day once we arrive on campus (7 am-5:30 pm). Please provide prepared lunches. We can keep the lunches cool in our coolers but don't have a good area to prepare them ourselves.

### **Sack Lunches needed on:**

(for approximately 20-25 people)

- Tuesday, October 4
- Wednesday, October 5

### **Staff Allergies:**

- Please talk to Maureen. We have one or two staff with a few diet concerns.
- No major allergies.
