Additional Host Family information:

Justice for All has all their own

transportation. Staff leave early each morning and don't return until after dinner. A light breakfast is requested in the morning but lunches and dinners need not be provided by host family unless you would like to sign up for one of the dinners/lunches listed above.

Justice for All staff and volunteers prefer to stay in host homes because it gives us the opportunity to get to know the community, personally share our unique vision for training the next generation, and save over \$8,000 in housing costs.
