Important Information:

Dinner Time - Most days our staff will be able to arrive at the dinner location between 5:30pm and 6:00pm. Rebecca will give you a better time estimate when you sign up for a specific date.

Food Allergies - None of our staff have major food allergies. Two staff have some special diet needs, please talk to Rebecca for more information.

Number of Mouths to Feed - An estimated number of people each night is listed below, but the size of our team can fluctuate. Rebecca will give you an exact count at least one week prior to the date you choose.

Meal Ideas - We're not picky so prepare anything you'd like! Often several families will host a potluck so that the burden isn't too great for any one person. The more, the merrier!
