**Sack Lunches Needed
in Lawrence, Kansas:
September 17-18, 2012**

(for approximately 12-14 people)

- Monday, September 17
- Tuesday, September 18

We are seeking a church group, family or pro-life group who will generously provide sack lunches each day for our staff and volunteers during our outreach at the University of Kansas (September 17-18). We ask that the lunch provider deliver the lunches to the our outreach site around 10:30am (please talk to Rebecca if that is a problem).

LUNCH IDEAS:

- Sandwiches - chicken salad, tuna salad, ham, turkey, roast beef (please leave meat sandwiches dry-we have mayo and mustard packets). Wheat bread is preferred to white.
- Cold or hot (fried/baked) chicken.
- Sides - fruit, yogurt, chips, vegetables, cookies;
- Drinks - We have plenty of water at the site. You don't need to include a drink unless you really want to.

*Please provide prepared lunches. We only take about 15-20 minutes away from the outreach to eat. We can keep the lunches cool in our coolers but don't have enough time, nor sufficient space to prepare them ourselves.

Staff Allergies:

Please discuss with Rebecca. We have two staff with diet concerns but no major allergies.
