## Provide Lunch for Justice for All staff at KU!

September 12–14

We are seeking a church group, family or pro-life group who will generously provide sack lunches each day for staff/volunteers during our outreach at the University of Kansas. We ask the lunch provider to deliver them to us around **10:30 am** to the campus display site (Please talk to Maureen if that is a problem.)

Email [Maureen@jfaweb.org](mailto:Maureen@jfaweb.org) to help or call Maureen McKinley at 480-788-9579.

### LUNCH IDEAS:

- Sandwiches – chicken salad, tuna salad, ham, turkey, roast beef (please leave meat sandwiches dry-we have mayo, mustard packets); Most of us like to eat healthy, so wheat bread is a preference.
- Cold or hot fried/baked chicken
- Sides - fruit, yogurt, chips, vegetables, cookies;
- Drinks - We have water at the site. You don't need to include a drink unless you really want to.

\*FYI-We only take about 15-20 minutes away from the exhibit to eat and then return right to work so we don't leave the exhibit site all day once we arrive on campus (7 am-5:30 pm). Please provide prepared lunches. We can keep the lunches cool in our coolers but don't have a good area to prepare them ourselves.

### Sack Lunches needed on:

(for approximately 15 people)

- Monday, September 12–KU Campus
- Tuesday, September 13–KU Campus
- Wednesday, September 14–KU Campus

### Staff Allergies:

- Please talk to Maureen. We have one or two staff with a few diet concerns.
- No major allergies.
