Sack Lunches Needed at UCLA: June 1-2, 2015

(for approximately 17-19 people)

- Monday, June 1
- Tuesday, June 2

We are seeking a church group, pro-life group, or family who will generously provide sack lunches each day for our staff and volunteers during our outreach at the University of California, Los Angeles. We ask that the lunch provider deliver the lunches to the outreach site around 10:30am (please talk to Rebecca if that is a problem).

LUNCH IDEAS:

- Sandwiches – chicken salad, tuna salad, ham, turkey, roast beef. Wheat bread is preferred to white.
- Cold or hot (fried/baked) chicken.
- Sides - fruit, yogurt, chips, vegetables, cookies;
- Drinks - We have plenty of water at the site. You don't need to include a drink unless you really want to.

*Please provide prepared lunches. We only take about 15-20 minutes away from the outreach to eat. We can keep the lunches cool in our coolers but don't have enough time, nor sufficient space to prepare them ourselves.

Staff Allergies:

Please discuss with Rebecca. We have two staff with diet concerns but no major allergies.
