**Sack Lunches Needed  
in Edmond, Oklahoma:  
October 23-25, 2013**

(for approximately 17-20 people )

- Wednesday, October 23
- Thursday, October 24
- Friday, October 25

We are seeking a church group, pro-life group, or family who will generously provide sack lunches each day for our staff and volunteers during our outreach at the University of Central Oklahoma (October 23-25th). We ask that the lunch provider deliver the lunches to the outreach site around 10:30am (please talk to Rebecca if that is a problem).

**LUNCH IDEAS:**

- Sandwiches – chicken salad, tuna salad, ham, turkey, roast beef (please leave meat sandwiches dry-we have mayo and mustard packets). Wheat bread is preferred to white.
- Cold or hot (fried/baked) chicken.
- Sides - fruit, yogurt, chips, vegetables, cookies;
- Drinks - We have plenty of water at the site. You don't need to include a drink unless you really want to.

\*Please provide prepared lunches. We only take about 15-20 minutes away from the outreach to eat. We can keep the lunches cool in our coolers but don't have enough time, nor sufficient space to prepare them ourselves.

**Staff Allergies:**

Please discuss with Rebecca. We have two staff with diet concerns but no major allergies.
