

Smaller-Scale Events Help JFA Reach More Leaders

Impact Report

JUSTICE
FOR ALL

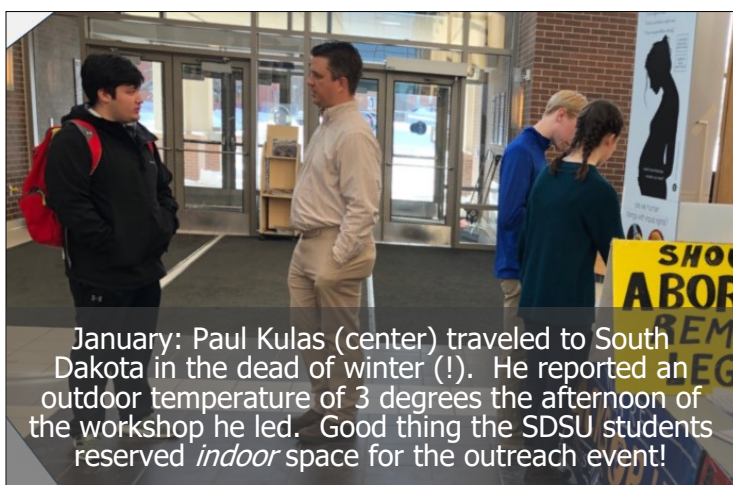

July 2019

Training thousands to make abortion unthinkable for millions...

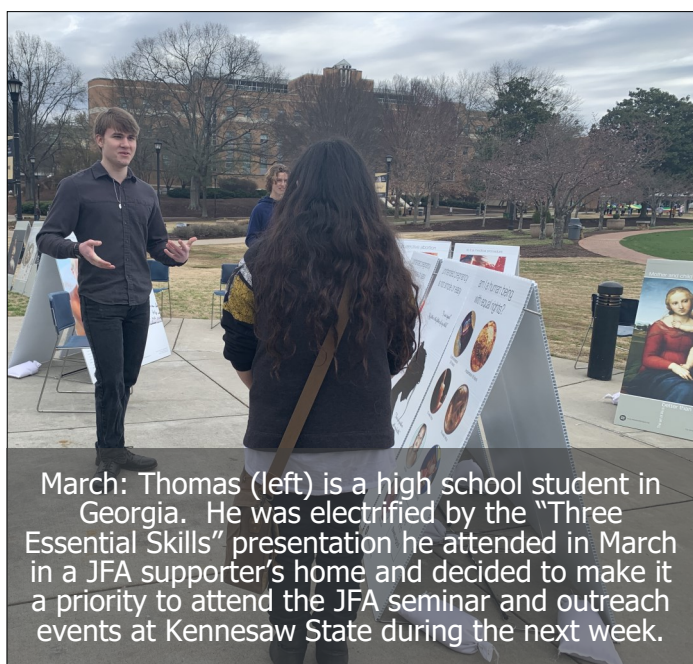

JFA has been known for using very large exhibits to train Christians to become leaders in their communities, creating dialogue that changes hearts and minds on abortion. While we are still willing to use any of our three large exhibits when training large groups, we now also have many small-scale signs in our tool kit that allow us to divide into smaller teams and visit more regions and campuses, and sometimes we even have events happening in different cities on the same day. (See our “JFA Events at a Glance: Spring 2019” list at www.jfaweb.org/july-2019 for a complete list of events.) In this Impact Report, we show just a sampling of some of these smaller-scale events and the leaders they allowed us to train and encourage. Some of our volunteers even joined us multiple times in one semester!

SmW - Steve Wagner, Executive Director

...one person at a time

January: Paul Kulas (center) traveled to South Dakota in the dead of winter (!). He reported an outdoor temperature of 3 degrees the afternoon of the workshop he led. Good thing the SDSU students reserved *indoor* space for the outreach event!

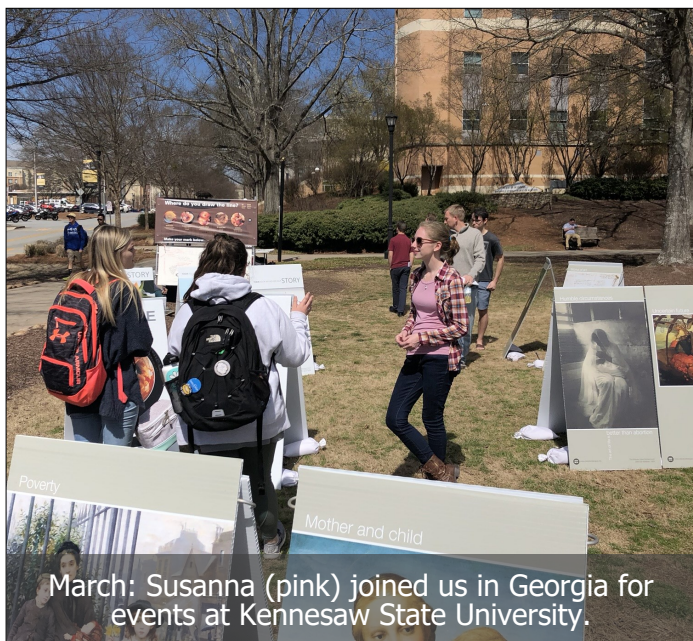

March: Thomas (left) is a high school student in Georgia. He was electrified by the “Three Essential Skills” presentation he attended in March in a JFA supporter’s home and decided to make it a priority to attend the JFA seminar and outreach events at Kennesaw State during the next week.

January: Our smaller outreach signs enhance indoor events like the one at South Dakota State University.

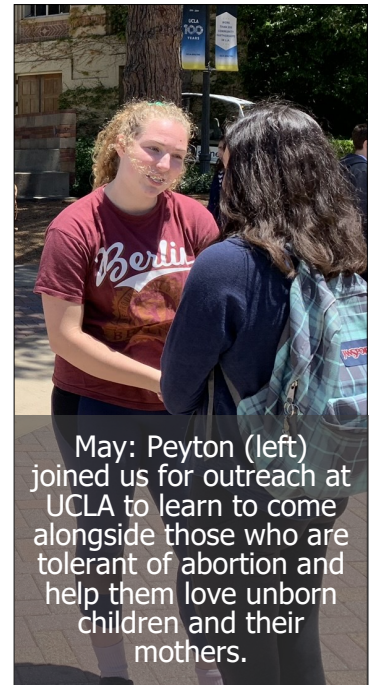

February: In Louisiana, JFA Fellow Amy Grace (yellow scarf) engages a passerby while two other conversations happen near the poll table. Amy Grace also just completed a week intensive in Wichita in July.

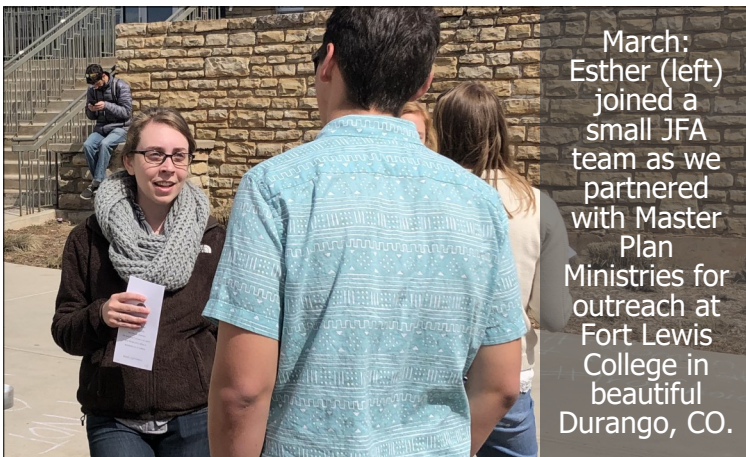

March: Susanna (pink) joined us in Georgia for events at Kennesaw State University.

March: Julia (front left), Rebekah (front center), Kaitlyn (blue), and Moriah (right) joined JFA for outreach at UNM in Albuquerque. Moriah interned with JFA in 2017, and Julia shared some of her story in our February Impact Report (www.jfaweb.org/feb-2019). Kaitlyn is now raising support to work for JFA from Michigan, and Rebekah is raising support to travel to JFA events.

May: Peyton (left) joined us for outreach at UCLA to learn to come alongside those who are tolerant of abortion and help them love unborn children and their mothers.

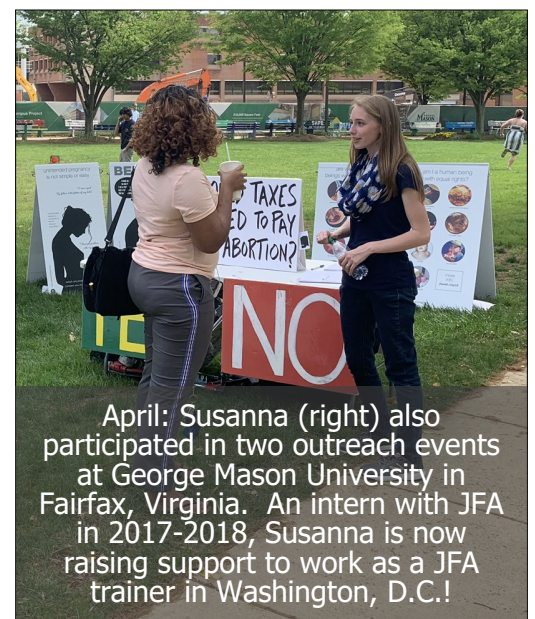

March: Esther (left) joined a small JFA team as we partnered with Master Plan Ministries for outreach at Fort Lewis College in beautiful Durango, CO.

May: Eager to change minds about abortion, Rebekah (left) also joined JFA closer to home in Southern California for our UCLA outreach.

April: At Johns Hopkins in Maryland in April, Steve Wagner (not pictured) helped Elisabeth (center) and her club create conversations with fellow students.

April: Susanna (right) also participated in two outreach events at George Mason University in Fairfax, Virginia. An intern with JFA in 2017-2018, Susanna is now raising support to work as a JFA trainer in Washington, D.C.!

Loving Every Human Being with JFA

Resource Bulletin – July 2019

PRAY FOR CONVERSATIONS

Pray for Conversations: Look at the list of JFA’s spring events on the reverse side. We are in awe of what God has done through your support of JFA and through your prayers. Let’s pray together for each of the people who were challenged at each of these events to actively love unborn children and their parents.

See JFA’s Spring Events List: **Turn This Page Over.**

Recent and Upcoming Events, Including Photos: www.jfaweb.org/calendar

PREPARE FOR CONVERSATIONS

Featured Resource for Equipping Yourself: Over the past few months we’ve been promoting our elementary lesson plan which features video from the Endowment for Human Development (EHD). Now, EHD has released a six-minute version of its rare embryoscopy footage for free download. We highly recommend using this video download to share these striking images of unborn children, whether you’re teaching our lesson plan or talking with friends about abortion. We also suggest you consider supporting EHD, as it is doing a stellar job of making this life-saving material available all over the world in multiple languages for free!

Watch and Share EHD’s Video: www.jfaweb.org/ehd-video

Download, Teach, and Share the Elementary Lesson Plan: www.jfaweb.org/heart-beats-like-mine

START CONVERSATIONS

Featured Conversation Starter: Share the EHD video listed above with a friend. One helpful thing about EHD is that it’s aimed at better education for pregnant moms. This is a priority that has broad support among most people. You don’t even have to bring up abortion in order to tell a friend that you think this video is worth checking out! We suggest sharing it and asking your friend, “What was most interesting to you in this video?” You can also move the conversation directly to the topic of abortion by asking, “With all of the references to abortion today in the news, how do you think it would change the discussion if people watched this video and kept it in mind?” Or, you might ask, “How does this video affect your view of abortion, if at all?”

What can I
do to love
every human
involved in
unwanted
pregnancy?

About the *Loving Every Human Being with JFA* Resource Bulletin

Friends of JFA ask, “What can I do to love every human involved in unwanted pregnancy?” This resource bulletin offers some answers. Supporting JFA financially enables JFA’s trainers and volunteers to create conversations that kindle affection for unborn children and their parents, but beyond that, you can **PRAY** for conversations the JFA community is creating, **PREPARE** for conversations, and **START** conversations.

Pray for
conversations.
Prepare for
conversations.
