

# Train One to Reach One, then Pray for Each One

## Impact Report

JUSTICE  
FOR ALL

Nov. 2023

### BECAUSE ONE PERSON CAN...

In my October letter, I asked readers to make a monthly pledge, recommend JFA to a friend, and commit to pray for JFA. Read or share this important letter at [www.jfaweb.org/oct-2023](http://www.jfaweb.org/oct-2023).

In this Impact Report, we share names and pictures of some of the people with whom our team interacted in 2023. Would you post this list somewhere in your home and pray that God will help each of these people to love the unborn, hate elective abortion, and accept God's love?

To view more pictures and read recent stories of conversations, see [www.jfaweb.org/blog](http://www.jfaweb.org/blog).

As you consider your year-end giving, would you make a special gift to JFA to help our team train many more Christians to reach the people God puts in their path? Thank you!

# Because One Person Can Change the World

There are four senses in which “one person can change the world.” Ultimately, we believe Jesus Christ is the one Person who changes the world for the better. This is why we exist and why we train Christians to depend on Christ to make change. In addition, each person trained, each life saved, and each person listed below also represents *one person* who can change the world, by God’s power. Each person is worthy of respect and protection and investment, even if he or she may never change the world in a positive way. It is true, though, that each person JFA reaches could play a pivotal role in changing the world for the better. We thank God that we can partner with you in training Christians to reach one person at a time.
