

# Fall Outreach

Update from Jacob Burow

November 2010

**JUSTICE  
FOR ALL**

I'm excited to be leaving soon to help with our exhibits at the University of Oklahoma, and the University of North Texas. Our trips are always physically exhausting, and spiritually refreshing. The routine of getting up at 5:30 a.m. every morning and not going to bed until 11:00 or so, plus standing outside all day, plus the physical labor of setting up the signs wears me out. But the other labor, that labor of ministering to people, the labor of listening to people, the labor of sharing the truth about abortion and of Christ, that labor energizes me.

I can't wait to see what God has in store for me on this trip, and would greatly appreciate your prayers as I begin traveling on the 6th of November. Please pray for safety in travel for all our staff, and for us to be filled with the Holy Spirit as we reach out to people.

Our outreach dates are, UNT November 8th and 9th, and OU November 10th and 11th.

Thank you to all of my new donors! I am so blessed that you are a part of my ministry team. In case you are wondering what

I'm up to day to day, the answer is fundraising. I need my support to be fully raised before I move to Wichita so that I can focus on the work in the office full time. I had been telling people that my goal was to leave this fall, and some people have been surprised to see me in College Station still, so I thought I should clarify. Once I finish raising support, I will move to Wichita. Until then I am going to devote my time to meeting with people, and following up with potential donors. I also am looking to spread the word about what I do to as many people as possible. I'm learning that fundraising is a sort of grassroots campaign, one that you can help with!

If helping me finish raising my support is something that interests you, just shoot me an email. ([Jacob.burow@jfaweb.org](mailto:Jacob.burow@jfaweb.org)) I'd love to visit with you about how that works. One example is what a couple did for me this week, they invited people to their house for coffee and snacks to hear me present what JFA is and what I do. We had a great time and I got to meet lots of awesome people.

**While I was not able to attend our exhibit at Colorado State University, I wanted to share another reflection from one of our training participants. It is a great example of the journey many people experience as a result of our training.**

God Bless,

*Jacob Burow*

## RESULTS OF MY SUPPORT RAISING EFFORTS TO DATE

•As of November 1, I've reached 40% of my support goal.

•48 families have partnered with me for this ministry so far (either through monthly support or special gifts). Praise God!
