Pro-Life Camp

Sunday, November 4th through November 7th

Pro-Life Camp is a rigorous, three-day leadership and discipleship training program held at Camp Copass in Denton, TX. The camp gives participants liberal access to JFA mentors, with continual opportunities to receive advanced training. This format produces a depth of knowledge, understanding, and wisdom in the participants beyond what is achievable in a schoolroom or Sunday school class.

"Before coming to the Justice For All [camp]...I knew that abortion was wrong...but I didn't know how to have a conversation about it... By using the tools learned during the seminar, we were able to listen to [abortion advocates'] opinions, build common ground with them, and pose questions to challenge their beliefs. We were able to share the entire gospel with them!

My experience was absolutely one of the best of my life. Everyone on the staff was wonderful, and so encouraging! There is no doubt that I will be coming back for another outreach!"

-Kinsey Smith, Home School Senior

"Thank you so much to the JFA...leaders and mentors who are so great at training and leading by example. Thanks for giving my family and me the opportunity to attend the camp in Denton and minister to the students at UNT. This has truly been one of the greatest experiences of my life."

-Stuart Boyes, Home School Father
