## SAMPLE INTRODUCTION

- Our speaker today is the Oklahoma and North Texas Regional Manager for Justice For All, a national pro-life training organization whose mission is to

**train thousands to make abortion unthinkable  
for millions, one person at a time.**

- He has worked with JFA since 2006, speaking at scores of schools, churches, and community organizations all over the region on the topic of abortion.
- He has spent thousands of hours interacting with abortion choice advocates on university campuses all over the United States.
- Frustrated by shallow stereotypes and disrespectful activism, he works passionately to build common ground in the seemingly endless abortion debate and to make a reasonable and clear case for the pro-life position.
- Before joining JFA, John served Oklahoma Christian University in Advancement, where he worked with donors to set up scholarships for students.
- He previously taught speech and debate.
- Growing up in a military town near Fort Hood, Texas, our speaker now resides in Mustang, Oklahoma, near his parents, the families of his two sisters, two aunts, and a cousin. In fact, some might call it a commune.
- He and Jayne have been married 17 years, and they homeschool their two daughters Penelope and Nadia.

**Please join me in welcoming John Michener.**
