To Whom It May Concern:

I would like to introduce to you my friends at Justice For All (JFA). I have known the Executive Director David Lee since 1999 and count him as a personal friend. I am also well acquainted with their North Texas Regional Manager John Michener. Because they have a unique and evangelical approach to saving lives and changing hearts about abortion, I think you may have an interest in promoting and supporting their program. I hope that you meet with them to consider a partnership.

JFA's mission is to **train thousands to make abortion unthinkable for millions, one person at a time**. Their training program, known as *Abortion: From Debate to Dialogue*, is truly unique. They are able to turn the pro-life advocates in your pews into active Christian ambassadors who know how to engage the culture and transform it. Our church has sponsored their training program in our community, and we have seen our members grow in their abilities to minister to others and share the gospel.

I cannot recommend the work of JFA highly enough. They are doing the Lord's work as they teach, counsel, and evangelize students across the country, but more importantly, they are training local Christians how to do a better job of it themselves right in their own communities.

Again, we heartily recommend JFA without any hesitation. When they contact you, I urge you to give them the opportunity to make a presentation. Your partnership with them, either financially or through sponsoring a local mission trip using their program, will bless you.

Sincerely in Christ,
