Dear Friend,

In 2010 Justice For All (JFA) will again seek to train 1,500 Christians to make abortion unthinkable for up to 300,000 students on high school and college campuses in Georgia, Tennessee, Colorado, California, **Oklahoma, and Texas.**

This year JFA has also launched a new strategic initiative—the addition of Regional Account Managers to help aggressively grow the quantity and quality of our trained volunteers. We are currently in the process of raising the salary for this position and request your assistance.

Please consider a monthly [commitment](#) toward the support of your Oklahoma and North Texas Regional Account Manager, who will lay the foundations for even greater increase in the years to come.

JFA has selected John Michener as its Oklahoma and North Texas Regional Account Manager. John has many years of experience in Christian education, from teaching high-school, to the development office at Oklahoma Christian University. John's skills and previous experience in helping bring JFA's training to Oklahoma in both 2008 and 2009 make him an ideal addition to our team.

Reception to [JFA's training program](#) since 2007 from Oklahoma and North Texas churches, schools, campus and community organizations has been very encouraging. John's development and expansion of these relationships will greatly improve the quality and quantity of trained volunteers for upcoming events beginning in the fall of 2010 in Norman (OU) and Denton (UNT). Read Pastor Nelson's [recommendation](#) from Denton Bible Church.

Your assistance will enable Justice For All to aggressively join you in putting feet on the ground in Oklahoma and North Texas for building both character and courage into next-generation leaders.

Sincerely,

David W. Lee
