

“I thought I was going to come out here and hear crazy Christians who could not defend their views. Now [after talking with you] I don’t want to be pro-choice anymore.”

Dear Family and Friends,

I'm excited about this year! I am currently raising support so that I can go work for Justice For All full time.

Though I'm not moving to Kansas until later this year, I will be going on exhibits, the next of which is in Georgia. I will drive there on March 5th and 6th, and then participate in an intense two weeks of training seminars and exhibits before driving the truck and trailer back to Wichita. I will then fly home to continue my fundraising.

We hope to train hundreds of people in Georgia who will then seek to influence thousands of students on the campuses of Georgia Tech and Kennesaw State.

[Your support will help me reach these students. Thank you!](#)

As I continue my support raising, please join me in prayer for:

- Safe travel (I'll be all over the map, from Georgia to California these next two months)
- Opportunity to share the gospel with many people during our events.
- Pray also for my efforts to complete my support raising. I hope to move to Wichita by summer or early fall. Before I can move and begin my full-time work, I still need to raise about 92% of my monthly support. Thank you to all of you who have already donated.

RESULTS OF MY SUPPORT RAISING EFFORTS TO DATE

- **As of March 1, I've reached 8% of my support goal.**
- Eleven families have partnered with me for this ministry so far (either through monthly support or special gifts). Praise God!

If you are not yet part of my **monthly*** support team,
please prayerfully consider joining!
