JUSTICE FOR ALL

"Thank you so much for your gracious, non-judgmental way of talking to me. You are the first pro-life person I've ever talked to that has helped me to understand the pro-life view. I feel like I have to rethink my entire standpoint on abortion." – Post-abortive student at UNM, 2009

Dear Family and Friends,

Happy New Year! I pray this letter finds you blessed. I am still in the middle of support raising for my upcoming internship with Justice For All (JFA). In February I will be going to Wichita for continued training for my job and fellowship with the JFA staff.

We have a busy schedule this upcoming semester with trips to Georgia, Tennessee, Denver Metro area, and California. With your support I will be fully funded and able to travel with JFA for all of these outreaches. Thank you!

Your support will help me reach many students. Thank you!

RESULTS OF MY SUPPORT RAISING EFFORTS TO DATE

- As of January 7th, I've reached 80% of my support goal for my 2-year internship.
- So far 15 families have partnered with me for this ministry. Praise God!
- I have had several people agree to diligently partner with me in prayer.

If you are not yet part of my **monthly*** support team, please prayerfully consider joining!

Prayer Requests & Praise Reports for January/February:

- I am praising the Lord for the financial, prayer, and spiritual support I have already received. I am learning, like Abraham in Gen 22:14, that "the Lord will provide", His name is Jehovah Jireh!

- Pray that God would give me wisdom as I talk with people about supporting my work.

- Pray that God will go behind and before us to prepare the hearts of the students and faculty members that we will be talking with this semester to hear the truth about abortion and receive the love of Christ.

Defending human value together,

Claire Rice
