

Summer's Glow Is Fading Fast...

Dear Family and Friends,

The summer is quickly coming to a close. I wanted to update you briefly on some of the highlights of my summer (personal and work-related):

1. Celebrating my Grandmother's 80th birthday party with lots of family around.
2. Traveling out of state to see my little brother play basketball in a tournament.
3. Traveling to Wichita, KS for a few days to hang out with my co-workers and to work on my public speaking at a workshop.
4. Seeing God provide student leaders and faculty advisers for clubs I'm trying to start (no easy task!)
5. Attending my sister-in-law's prenatal appointment with her midwife. Although I am studying midwifery, I have never actually met a midwife! It was a wonderful experience, and the midwife taught me how to palpate the abdomen in order to determine the baby's position. Good times.

I've enclosed my co-worker, **Maureen's**, reflection. I missed the Fresno outreach but her **letter is an amazing story about how God changed hearts and minds in CA!**

Thank you for your support! God has so faithfully provided one large gift and several unexpected gifts. Thank you so much for your financial support! I am now fully funded again.

September 2010 Prayer requests:

- Pray for the Metro St. club that is just starting up! This club is in the early stages and need lots of support.
- Pray for JFA as we travel to Lincoln, NE next week for our first fall outreach.

In Christ Our Lord,

Claire Marie

Please know that I pray for you as well. Feel free to send me prayer requests or let me know of ways I can serve you and your family!
