

Jon is graduating!

November 2008

Dear Friends of Truth and Life,

Your generous financial support will help Jon Wagner quickly transition from his internship at Justice For All (JFA) to a full JFA staff position.

Jon's two-year internship at JFA (Jan '07-Jan '09) has flown by! He's been a tremendous blessing not only to the JFA training team, but to thousands of students and adults who have been touched through his efforts.

JFA's mission is to train thousands to win millions, one person at a time. Jon Wagner has been literally that one in a thousand!

His exceptional work ethic and zeal to work smart is wonderfully counterbalanced by his sincere passion for people. Jon has become a vital part of JFA's training team due to considerable growth in his:

- Public speaking ability.
- Training & mentoring skills.
- Advance campus work for JFA training and outreach events.
- Networking of people and educational training partners.

For example, Jon's work recently made possible:

- ◇ a 7-12th grade chapel (350 students) at Community Christian School (CCS) in Norman, OK.
- ◇ Training 150 of the CCS students and faculty through JFA's 4.5 hour interactive training seminar, *Abortion: From Debate to Dialogue*.
- ◇ 42 of the CCS students and faculty participating in JFA's Nov 6, 2008 outreach at the University of Oklahoma.
- ◇ JFA's training team at Christian Heritage Academy, Del City, OK (also about 350 students 7-12th grade) and at Trinity Baptist Church in Norman, OK.

One CCS student wrote, "I love the (JFA) training because it helps us converse with others and helps us be patient and kind."

Great finish to healthy dialogue at Kansas (KU)

Imagine the impact on trained students and their families in the years to come!

Hearts and lives are in the balance. Please continue and/or join Jon's JFA support team. **So many are counting on your sponsorship!**

Sincerely,
