

“I thought I was going to come out here and hear crazy Christians who could not defend their views. Now [after talking with you] I don’t want to be pro-choice anymore.”

Greetings All,

I am excited to inform you that I have reached my support raising goal! I am currently in the process of packing and getting ready to move up to Wichita on the 10th. Thanks to your generous support and prayers I am able to start working even earlier than I had originally planned. God has been working mightily over the past few weeks as He has been preparing me for this next big step in my life and bringing in more generous support than I could ever have imagined.

[Your support will help me reach many students in 2010. Thank you!](#)

RESULTS OF MY SUPPORT RAISING EFFORTS TO DATE

- As of January 7th, I've reached my support goal for the 7-month internship!
- I will be moving to Wichita on January 11th to start my internship!! Praise God!

As I move up to Wichita I would ask for your prayer in some various areas:

- Adjusting to a new living situation
- Adjusting to a new environment (I'm told it's rather chilly)
- The courage to boldly spread the truth about abortion
- Safe travel
- Strength to do all tasks set before me

It's hard to believe how time has flown by and the moment has arrived for me to start my life as an adult. I look forward to the coming months as the Lord brings new challenges and opportunities. Our first campus outreach will be in March, and I am excited to get back out on campus and engage in healthy dialogue with some students. Thank you once again for all your support and prayers, and I'll be sending y'all an update once I'm settled.

In Christ,

Joshua Pedrick
