Dear Family and Friends,

A vital part of my ministry is the monthly newsletter I send to people and groups that support our mission to *train thousands to make abortion unthinkable for millions, one person at a time.*

I desire to keep up great communication through these newsletter updates. I hope they will encourage you, highlight prayer requests, and provide insight for your own outreach ideas.

### My long term support update:

- My support was **consistent and sufficient** between January 2007 and the present (Praise God!)
- I need to raise support due to my new staff position and because some supporters have been forced, by their financial circumstances, not to keep giving.
- I am currently at **85%** of my long term support pledges.

**As I continue with Justice For All long term** I desire to communicate with you in a way that is most convenient and effective for you. I would also love for you to share my work with your friends.

**If you wish to send a financial gift to help us**, please make checks payable to "Justice for All." Your gift will be allocated to my support account and will be considered tax-deductible.

P.S. You can email your response to: [jwagner@jfaweb.org](mailto:jwagner@jfaweb.org)

defending human value together,  
Jonathan Wagner
