["Making Abortion Unthinkable" by Gregory Koukl and Scott Klusendorf](#) (click link)

- Learn how to restore meaning to the word abortion by properly using graphic visual aids.
- Learn how to simplify the abortion issue by focusing on only one question.
- Learn how to use scientific evidence to offer a sound, reasonable, and persuasive argument.
- Learn how to expose the four common flaws of abortion rhetoric.
- Group study notes included (113 page manual).
- The series can be found, researched, and bought at www.str.org.

Don't Wait to Build Common Ground and Make Abortion Unthinkable THIS Summer

3 things you can do

- Challenge your Pastor to help you to equip others with this tool.
- Find a group of friends who want to take the abortion issue seriously.
- Challenge the members of your group to put the training into practice.
- ◇ Start a conversation with one friend (**Common Ground Across North America is July 13-20!**)
- ◇ Have each person tell 3 pro-life friends what they learned from the series.

Some other great resources that will equip your group and compliment M.A.U.

["Common Ground Without Compromise" by Stephen Wagner](#) <--- (click on Link)

- Stephen Wagner provides strategic ways of starting and maintaining great conversations.

["Why We Can't Wait" by Martin Luther King Jr.](#) <--- (click on link)

- Martin Luther King Jr. will motivate you to by giving you a healthy urgency for justice.

"I would recommend that you recommend to all pro-life groups whose campus you will be at to watch "Making Abortion Unthinkable" or to do some training before the actual (Debate to Dialogue) training. It was incredibly helpful." -

Ceci Pesquiera, current President of UCSB Pro-life Ambassadors

The M.A.U. series from STR helped UCSB Pro-life Ambassadors like Billy Zondler (in brown) better prepare for our outreach.

It will take an eternity for the unborn to defend themselves.

Travis (with our brochure in hand) made an impact for JFA this spring at the Cal Poly exhibit outreach.

Golf Marathon Update:

Change in location: I'll be playing in Atascadero on June 7th because my sister, pro-life ambassador Joanna Wagner, is graduating and because my sister-in-law Rebecca Wagner will be giving birth to her first child around that day as well.

Travis Phillips (right, in sunglasses) will be joining me on the course. Travis went through our training in March and participated in the Cal Poly outreach. He has been gathering pledges as well and is a much better golfer than I am.

Check out one example of how your donation to the golf marathon could make an impact. A \$50 donation will help us print about 70 brochures (like the one in Travis's hand) that JFA staff members will personally give to students on college campuses and pro-life ambassadors around the country. This is just one of the many ways your donation can help us change hearts and save lives around the country!

Prayers and Praises for June

- I'll be gone from June 4-15. Prayer for safe travel to and from California.
- Prayer for boldness this summer that would help each person reach at least 5 people?
- Praise God for the great progress JFA has made on our fall and spring schedules.
- Praise God for the great resources we can use to change hearts and save lives.
- **Praise God for the three people who are currently raising funds to join JFA on staff.**
- Prayer that the clubs at Cal Poly and UCSB would flourish and impact their campuses.

Your willingness to support me in this golf marathon allows JFA to train thousands to make abortion unthinkable for millions, one person at a time. For those who have already pledged, thank you so much.
