## Help Me Impact Thousands!

If you could help thousands of people re-think their views on abortion, would you?

I'm writing to tell you how I plan to do just that. For one week (from May 22-29) I will be in southern California **speaking with many students about the issue of abortion with Justice For All (JFA)**. The purpose of this letter is to tell you about JFA and ask for your support.

Training thousands to make abortion unthinkable for millions, one person at a time is the mission of JFA, a pro-life organization based in Wichita, KS. With your faithful support I will help JFA accomplish this mission!

JFA recruits volunteers through a network of partnerships with Christian high schools, colleges, churches, and organizations. JFA's leadership formation develops future leaders into pro-active, pro-life advocates, all in the spirit of I Peter 3.15 (**see enclosed summary**).

The issue of abortion is important because it is an abomination to God, and the truth needs to be spoken. I am excited about this trip because I had the opportunity to see the mission lived out on two campuses in Georgia! And now I am looking forward to doing the same in southern California.

Here are some things I reflected on after talking to some of the students.

- All that we speak must be acceptable to God. It may not be what we say that stays with someone, but how we say it.
- One man that I talked to said his mom is a doctor in India and performs abortions. As we talked and as we asked him questions I realized something. Before every..

...answer he gave us he said "My mom thinks..." or "My mom believes..." or "My mom says..." I realized this man is not answering anything for himself.

- My faith in Jesus Christ is the greatest thing I have! I love being able to share that with others.

In order to go on JFA's May Missions Trip I need to raise \$500 (for airfare, ground transportation, & some lodging expenses)

**The enclosed coupon gives instructions for donating to JFA for my support.**

I am also looking for people who are willing to pray for me during this experience!

I plan on contacting you in the next few weeks to see if you are interested in joining with me to help further this important mission.

Thank you for considering this wonderful opportunity.

His humble servant,

Deborah Haag
