Big Goals For July!

I pray this letter finds you well. I give thanks to our great Lord for the work He is doing in my life and through the powerful ministry of Justice For All.

All of this is being accomplished by God's means of grace in your prayerful and financial support. Thank you!

Please know that none of the work I do here in Georgia is done alone. **We are all fulfilling our roles in the body of Christ and your part is vital to this ministry.**

My goal for July is to find ten new monthly partners who can pledge between \$10-\$250/month.

Above: Jacob (sunglasses) talking to a group of Kennesaw St. students (March 2010). See the enclosed reflection to read about this roller coaster conversation!

This past year with JFA we have seen many young women choose life for their unborn children and many more come to repentance over previous abortions.

I am so blessed to be involved in bringing JFA to our home state of Georgia on a full time basis. I can't wait to start working full time and start sowing seeds of truth in our community for God's Kingdom and for the voiceless.

RESULTS OF MY SUPPORT RAISING EFFORTS TO DATE

- I have currently raised **23%** of my total support needed to be a full time missionary. To God be the glory! Our Father is a God of *infinite* resources. I am confident that He has called me to His mission field, therefore, I am confident He will provide.
- There are **25** people on my financial support team & many others are praying.
- I am currently planning **4** support raising parties in order to cast the vision of this ministry to more people. Call me if you'd like to help or host your own!
- Several people have offered to connect me with their friends. Do you know anyone who would be excited about the mission of JFA if it was presented to them? I'd love to meet anybody who would be open to hearing about our work, mission, and needs!

Prayer Requests for July:

- Please pray for those affected by abortion everyday: the unborn children, the women who are considering/have already had an abortion, the abortion practitioners and the people working both publicly and behind the scenes to make abortion unthinkable and illegal.
- Please pray the Lord would give me zeal for the tasks at hand and that He would bless my ability to manage my time wisely.
- Please pray the Lord would open the hearts of those He desires to join this mission.
- Please pray for my family:
 - ◇ My wife, Brit, that she would grow in wisdom and time management skills as she works along side me on this JFA mission field.
 - ◇ My oldest daughter (2 yrs), Israel, that she would understand her need for Jesus as her Savior and be loving toward her younger sister.
 - ◇ My youngest daughter (9 mo), Helen, that she would smoothly transition between milk to solid foods and continue to fill our lives with sunshine.

**Your support empowers me to live
out Justice For All's life-saving
mission! Thank you for your pledges.**

Please take the time to read the enclosed story about my conversation with a student from Kennesaw State University. Inside the story is a description of how to use the SLED test/tool to make an impact in conversations about abortion!
