Equipping the Marchers

JFA's Rebecca Haschke teamed up twice last month with Josh Brahm of *Equal Rights Institute* to equip participants at *Students For Life of America's* West and East Coast National Conferences (photos, top-left and bottom-right). Some participants in the Walk for Life West Coast in San Francisco and in the national March for Life in Washington, D.C. also had the opportunity to attend two-hour JFA workshops. These included students from St. Augustine Academy in Ventura, California (photo, top-right); members of Pro Life Future of San Francisco (photo, bottom-left); and about 250 high school and college students from the Diocese of Lincoln, Nebraska (photo, bottom center).
