

A Benedictine College student (left) discusses abortion with a student from the University of Kansas (KU).

Transforming Lives in Christ Since 1858
Benedictine College Ministry St. Martin Center

Fr. Rolling in discussion with a KU professor during a JFA outreach.

October 31, 2011

To Whom It May Concern,

I am writing to enthusiastically recommend Justice For All, JFA, to you. JFA is the most effective pro-life training organization I have ever worked with in my thirty years of pro-life work. JFA brings the pro-life message to college and university students, faculty, administration and staff in a powerful way. Hundreds of my pro-life college students have experienced JFA training and gone on mission. Here are their reactions:

"...the girl had not been sure whether she wanted to keep her baby, but she left the JFA display convinced that she would choose life. The entire three-day display at KU and the training session were all worth it for that life-changing moment." - Erin McDonough, Benedictine College JFA Mission 2011

"For the first time, I had taken my stand in the public square." - Sean McGuire, Benedictine College JFA Mission 2011

JFA training turns average pro-lifers into personal trainers for the movement. Training enhanced the communication skills of my students, equipped them to have discussions in the public square and showed them how to build a relationship with even the hardest of hearts. The JFA goal is to move the pro-life discussion from debate to dialogue. They do it! Another student said:

"This isn't just a class on how to talk someone out of pro-choice views, it's advice on how to talk about every topic you will come across in your daily life!" - Anna Huybrecht, Benedictine College JFA Mission 2008

Benedictine College Ministry is proud to partner with JFA. Every one of our missions has been outstanding. Pro-life believers become confident pro-life communicators. Babies have been saved. Post-abortive mothers and fathers have found help. Pro-abortion students, professors and administrators have changed their minds and hearts.

JFA effectively brings the Gospel of life to a college campus. This is important because the ideas and leaders of the future are in college right now. Work with JFA and change the future!

In Christ, the Way, the Truth and the Life,

Fr. Brendan Rolling, O.S.B., M.Div., M.A.
Director for Mission and Ministry
