To Whom It May Concern:

Greetings from St Peter Catholic Church, serving the University of Northern Colorado (UNC)! In collaboration with other churches in our area, Justice For All (JFA) was invited to display their exhibit on the campus of UNC during the Spring of 2006. This was the first time our students were involved with outreach efforts on the issues of abortion through JFA.

The staff of JFA provided extensive training for our students, detailing the proper way to dialogue about abortion, rather than arguing about the issue. Our students were able to confront the issue of abortion with their peers in a friendly and compassionate way. Since the presence of the exhibit, many of our students have increased their involvement in pro-life issues. The exhibit opened channels for dialogue and provided an opportunity to share the Gospel, even with those students that did not agree with the graphic nature of the images.

Overall, the exhibit had a positive impact not only on students involved in our ministry but also with the student population at UNC. Therefore, it is with great confidence that I recommend Justice For All and their outreach efforts.

Sincerely in Christ,
