

To Whom It May Concern:

It has been my privilege and honor to know David Lee, founder and Executive Director of Justice For All (JFA) for the past ten years, not only as his pastor but as his personal friend. David is a godly man who always exhibits the spirit of Christ.

Not only is our church honored to count him and his family as a part of our body, but we "send him out" to represent us as an ambassador to the entire body of Christ and a strong advocate for the unborn. We support David and Justice For All financially and continue to be amazed at the marvelous success they experience, especially the fruit of seeing many won to Christ through their efforts. JFA creates strong and lasting memories for all who see their Exhibits and listen to their message of hope. (1 Peter 3:15)

Abortion is a terrible blight on our land and David and JFA are constantly attaining opportunities to educate those who are most impressionable on our high school and college campuses. JFA's ministry is unique and extremely powerful!

Please accept my total recommendation of David and Justice For All without any hesitations. You and your people will be blessed! Thank you for your consideration of this wonderful brother and ministry in the Lord.

Love through Christ,
