## EVERY PARENT'S PRAYER

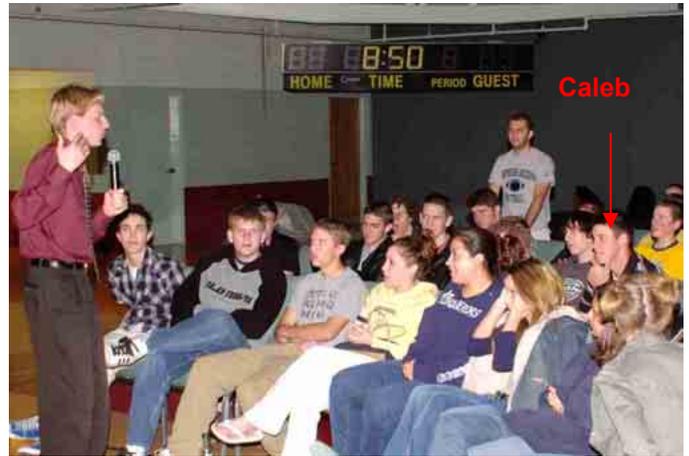

Dear David and Justice For All,

We give God the glory for Justice For All (JFA) and the mission He has risen up in you! We know no good work can be done without the power of the Holy Spirit and those yielding to it. Having said this, I want to thank you for the gift you have given to my son, Caleb Simon.

Caleb graduated from Christian Fellowship School in Lakewood, Colorado in June 2004. Just prior to this life-changing event, he had another life-changing experience through JFA. Through the training session in April, Caleb, along with the other seniors in his school, were given the facts regarding abortion and taught to use the tools of logical and methodical questioning to engage others in conversation.

They went to Metro State College in Denver and walked in their new training. This training session ignited within Caleb the ability to engage people in a conversation regarding abortion without attacking them, allowing emotion to guide the conversation or being tactless.

For Caleb, who is very tenacious with a strong sense of justice in his approach to life, this was life-altering and freeing. Having understood the concepts and applied them at Metro, Caleb was excited to share not only with me but also with his friends and now at Cornell College in Iowa.

While attending Cornell this past year, Caleb has furthered the debate within his circle of friends and within his speech class. He has told me he feels confident that he can communicate without offending and yet feels this approach can change the views of many.

I know Caleb is a different young man today because of the equipping he received through JFA coupled with the experience he had at Metro State. JFA was able, with and through the power of the Holy Spirit, to equip, embolden, and empower Caleb to be the mighty warrior for the unborn.

I am eager to see God continue to work in Caleb and use Caleb to change lives. His life verse states: **Joshua 1:9 "Be strong and courageous. Do not be terrified; do not be discouraged, for the LORD your God will be with you wherever you go."** This passion has burned in Caleb and I am thankful to JFA for enabling him to express his passion in a way where he can engage and not attack others on such life imperative and sensitive issues.

Thank you for yielding and sacrificing for the lives of each of the unborn. May you see the fruit of your labor as I have seen in my son and soon his younger sisters as they can hardly wait to be trained and go out equipped through JFA. May you see the multiplication of your efforts magnified and may all go to the glory of our gracious and just Heavenly Father.

Prayerfully and thankfully,

Kimberly Simon  
Castle Rock, Colorado  
October 2004
