

[SCHOOL LETTERHEAD]

[DATE]

Dear [SCHOOL] Parents:

Justice For All is a Wichita, KS based organization that seeks to move the typical heated debate concerning abortion to a reasoned and compassionate dialogue utilizing a Christian world-view. David Lee, the Executive Director, of Justice For All (JFA), annually makes presentations to Christian high schools across the nation (see enclosed JFA flyer for more information).

In addition, JFA regularly makes presentations at Summit Ministries and at the Focus on the Family Institute, both located in Colorado. Justice For All has received endorsements from pastors like Tommy Nelson of Denton Bible Church in Denton, Texas. You may be familiar with Tommy's marriage seminar, *The Song of Solomon*.

Our alumni students report that college campuses across the nation, including Christian colleges, are full of cultural challenges to their faith. This includes issues such as bioethics, abortion, and homosexuality. JFA encourages Christians to move away from debate toward dialogue in order to more effectively share Christ with those opposed.

David will be presenting an overview of the JFA Exhibit program to [SCHOOL] students on [DATE & TIME]. **Please be advised that this presentation does include graphic pictures** (2 of racism, 2 of abortion and 1 of Jesus' crucifixion).

Since the presentation includes graphic pictures, I strongly encourage you to attend a JFA Parents Meeting on [DATE, TIME & PLACE] to see and hear what will be presented to our students on [DATE]. Alternate arrangements will be offered to parents who do not want their student[s] to view the very brief graphic portion of the JFA presentation.

If you have additional questions prior to the parents' meeting, please don't hesitate to call me at the school [PHONE NUMBER], or to phone David Lee at JFA's office (800.281.6426).

In Christ,
