

# Merry Christmas!

For love, Jesus came to us as an unborn baby boy, totally dependant on his mama Mary, a teenage girl. The story of His arrival reminds us to “Be not afraid!” (Lk 1:30), and teaches us the value inherent in every human life.

Thank you for helping me share this good news with people across the country through your prayers and support of my work with Justice For All! If you can make an end-of-the year gift, please use the enclosed envelope. God bless you and your family this Christmas!

In Christ,

Rebecca Haschke
