## Nebraska Events In Review

Dear Supporters,

The spring semester wrapped up on May 26th after an outreach at the University of California—Los Angeles, and the Justice For All team returned home. Some of our staff began preparations for events in Louisiana, Texas, and Virginia. I packed my bags and departed for Nebraska to hold a series of events. See the schedule below.

### Taking Abortion From Debate to Dialogue Workshops

- June 3 - Broken Bow - 10 attended
- June 4 - Grand Island - 28+ attended
- June 6 - Norfolk - 29 attended
- June 8 - St. Edward - 18 attended
- June 9 - David City - 41 attended

### Facing Abortion Presentations

- June 7 - Columbus - 27 attended

Here are a few of the comments from participants who attended the events:

*I now feel like I have a starting point and great material to learn more and hopefully get out and evangelize.*

*When having conversations like this before, it was awkward and I wouldn't respond correctly because I did not know how. This workshop has helped immensely, and I feel confident that I have the tools to have these [kind of] conversations now.*

*I loved the way that you showed how to have conversations in a civil way without compromising your position.*

Thank you to each of you who attended a workshop, promoted the events, donated financial support and helped others learn to make abortion unthinkable. It was a joy to return to Nebraska and work with you!
