Dear Family and Friends,

This spring I wrote to you about Amanda, who I met on her campus in January. Later that day, she shared our brochure with her friend, Kim*, who had already had one abortion and was planning to get a second one.

Kim said that the JFA brochure helped her realize “that getting an abortion would be worse for my baby than the bad situation I’m in with my boyfriend.”

Amanda and I were privileged to attend Kim’s baby shower on my birthday (best birthday present ever), and we got the news in August that her baby girl was born!

Kim and Amanda continue to keep in touch. Earlier this month, Amanda sent me the beautiful photo above with the message, “I’m hoping to meet her soon!” And last week, she sent me the photo below of herself holding Kim’s baby girl with the message, “Finally met her!”

I am so grateful to God for the grace and courage he has given these two young women, and for the life of this beautiful baby girl. Thank you for partnering with me in this mission. Together we are making abortion *unthinkable*, one person at a time.

In Christ,

Catherine Wurts
